*Please consider making a difference by sponsoring one or more of these events!*

Your donation will help us equip the Newburyport Public Schools with the tools and technology needed to prepare students for a competitive world. With your help, we can complete these strategic projects by 2013: a foreign language lab, more 21st-century classrooms, literacy libraries, technology renewal, Virtual High School, and more bridges between business and education.

Visit [www.newburyportef.org](http://www.newburyportef.org) to learn more about these exciting projects.
