NEF Announces End-of-School-Year Teacher Tribute Program

NEWBURYPORT--Newburyport, MA Looking for the perfect gift for a teacher or administrator to thank them for a great school year? Consider honoring them through a gift to the Newburyport Education Foundation (NEF). Your gift will be invested in the Newburyport Public Schools and the teacher you choose to honor will receive a personalized card explaining that your family donated funds to the NEF in appreciation of their efforts. New as of June 1, each honoree will receive a custom-designed Teacher Tribute pin to display and an NEF volunteer will hand deliver the card and pin to the honored teacher.

No donation amount is mentioned in the card unless requested. Honorees are recognized in NEF materials and donors receive a letter acknowledging their tax-deductible gift. The Newburyport Public Schools administration and faculty have endorsed the Teacher Tribute Program. Any amount is greatly appreciated. Your gift will support the NEF's 2011-2013 Campaign which will provide a new world language lab, enhance literacy programs, and update and renew technology.

To make a gift, visit www.NewburyportEF.org or send a check made out to the Newburyport Education Foundation with the following information: teacher name and school, who the gift is from, your name, address, phone, and email to P.O. Box 1002, Newburyport, MA 01950

About the Newburyport Education Foundation (NEF) The Mission of the Newburyport Education Foundation is to bring philanthropy into the Newburyport Public Schools and generate financial resources that will enhance the quality of public education throughout the school system. Formed to enhance educational opportunities for the city's public school children, the goal of the Newburyport Education Foundation is to supplement funding for programs which are already supported by public financing at a basic level, but which can be substantially improved by additional private sector financing, and to finance programs that might not receive funding from traditional sources such as the district budget or state aid.
